

**Subject: Rediker – ParentPlus Portal**

Dear Met Parents,

Metropolitan School uses Rediker software as a school's system. The ParentPlus web portal connects parents and students with schools and teachers. As a parent, you can quickly stay informed about what's happening at your school and children's classes-from knowing if the school is closed on a given day to seeing how well your child did on his or her last homework or exam. Online quarterly progress reports, end of year report cards, attendance, school calendar, important announcements and notifications from school can also be viewed through the parent portal.

**ParentPlus Portal Access:**

Please ensure that you have a valid e-mail address on Rediker. ***Rediker Username and password will be sent to you via email.***

If you do not receive our e-mail messages, then chances are likely we do not have the proper e-mail in the system for you. You cannot access the portal without an e-mail address.
